A FIRST CLASS PACKAGE OF VARIED AND STIMULATING ACTIVITIES FOR SCHOOLS OF ALL YEAR GROUPS

A welcome to school parties

The South Devon Railway is an excellent, fascinating venue for school visits that offers great opportunities to enrich many parts of the curriculum, particularly in the areas of the sciences, geography and history – whilst keeping children of all ages entertained and absorbed throughout their time with us.

Central to the **South Devon Railway** is a seven mile standard gauge railway, opened in 1872, operated by historic steam locomotives and carriages built between the 1920s and 1960s. It runs between Buckfastleigh and Totnes, through the hidden valley of the River Dart, which is packed with wildlife. Buckfastleigh is just off the A38.

While you are with us, you can also visit **Dartmoor Otters & Buckfast Butterflies** at Buckfastleigh and the **Totnes Rare Breeds Farm** at Totnes.

Lots to see and do

At Buckfastleigh, we have a safe, enclosed site with parking, large open play area, gardens, refreshment rooms, shop, picnic site and a museum with a group presentation area. At Totnes we have built a station almost entirely from historic buildings dismantled from all over the west country and re-erected.

Education officer

Our education officer, Bob Vaughton, who is a highly experienced teacher, is available to help you organise an interesting and relevant experience for your pupils. He is present on the railway on Thursdays during our running season, by prior arrangement, and can accompany you on the train to answer any questions you and your pupils may have. An informative, illustrated talk for up to 30 people can be organised. Please send us details of any project or theme you are planning and we will endeavour to help you develop it.

Friendly environment

Our staff will ensure a memorable and worthwhile visit for your teaching staff and a great fun day out for pupils. We have available a number of worksheets and risk assessments to help you prepare for your visit. Full details of the railway are in our leaflet and at www.southdevonrailway.co.uk.
