The **South Devon Railway** are pleased to offer the opportunity to trade within our Christmas Market Marquee at Buckfastleigh Station during our popular ‘**Santa by Steam**’ services.

Our Santa by Steam days are hugely popular and have cemented themselves in the diary of families for generations. Each December we welcome around 8,000 passengers through our doors over the duration of the Santa trains. Our Christmas Market Marquee will be positioned in our main car park adjacent to the Bridge View Kiosk catering outlet. A small fairground for the children will also provide traditional family festive entertainment. The marquee will be equipped with festoon lighting and electric lamp heating. Unfortunately we are not able to guarantee that power points will be available for traders.

Traders will be expected to set up prior to 09.30 and take down after 17.45 each day. South Devon Railway cannot take responsibility for possessions left on the premises overnight.
